FICO® Score A Better Future® Ambassador Program

FICO® Score A Better Future® Ambassador Program

The FICO® Score A Better Future® (SABF) Ambassador Program equips passionate volunteers with comprehensive training materials and ongoing support to lead impactful financial literacy workshops in their communities. As an Ambassador, you'll receive expertly crafted materials and presentation resources to confidently facilitate workshops on credit education to adults and financial literacy to students aged 16-21. The program is free, and getting started is simple.

To ensure successful workshop preparation and delivery, Ambassadors should:

- Determine your intended audience by choosing between adults or students (aged 16-21)
- Review information about SABF to learn more about the ambassador program and understand how it works
- Download workshop materials to help you prepare for successful delivery of the workshop
- Select promotional materials to share with your intended audience before the workshop to help you effectively communicate the value and benefits of the workshop
